Who is sitting fourth to the right of Kavitha?

Model Questions

Directions (Q.No.1-5): Study the following information and answer the given questions:

Vamsi, Prem, Suma, Kavitha, Ravi, and Kiran are sitting in a single row having eight seats. Three of them are facing towards north and three are facing towards south. Two 2. Who is sitting fourth to the right seats are vacant but neither of the extreme ends is vacant. No person is sitting to the right side of Kiran. Neither Vamsi nor Kiran is the immediate neighbour of the seats that are vacant. Prem is sitting third to the right of Vamsi, who is facing towards north. Those people who are sitting to the either side of the vacant seats

are facing in opposite directions. No Y. Arunveera Kumar two consecutive seats are vacant. Neither Suma nor Ravi is sitting at Subject Expert any of the extreme ends. Those who **IACE** are sitting at the extreme ends are facing in the same direction. Ravi is sitting third to the left of Suma, who is facing towards north. Only two

- people are sitting between the seats that are vacant and both of them face the same direction.
- 1. Who among the following sit at the corner?
 - b) Vamsi c) Prem a) Kiran d) Suma e) Ravi
- of Kavitha?
- a) Vamsi b) Prem c) Suma d) Kiran e) None of these
- 3. Who is sitting third to the left of Kiran?
 - b) Ravi c) Suma a) Prem d) No one e) None of these
- Which of the following statement 4. regarding Prem is true?
