

Fresh quake near Pak. border

SPECIAL CORRESPONDENT
NEW DELHI

An earthquake of magnitude 4.7 struck Bhimber near the India-Pakistan border at half past noon on Thursday.

While almost in the same region, the earthquake was significantly lower in intensity than the 6.3 magnitude one on Tuesday whose effect was apparent in several parts of Jammu, Punjab and New Delhi. The United States Geological Survey said Thursday's quake had its epicentre at "4.74 km off New Mirpur and at a depth of 10 km from the surface". There are no reports of tremors yet in India and the official seismological monitoring services had not as of Thursday afternoon posted details of the latest quake.

UNSC allows Hafiz Saeed banking access

The decision is in response to a request made by Pakistan, says a notification from 1267 Committee

SRIRAM LAKSHMAN
NEW YORK

The United Nations Security Council (UNSC) 1267 Committee has allowed Pakistan-based UN-designated terrorist Hafiz Saeed limited access to his otherwise sanctioned bank account.

Saeed is wanted by India in connection with the 2008 Mumbai terror attacks. The UNSC decision is in response to a request made by Pakistan to which no objections were raised, as per a notification dated August 15 from the 1267 Committee, a UNSC committee that designates and sanctions terrorist entities and individuals.

Hafiz Saeed

"The Chair has the honour to refer to his draft letter to the Islamic Republic of Pakistan communicating the Committee's decision with respect to the intention of

the Pakistani authorities to authorise certain expenditures to the benefit of Hafiz Mohammad Saeed, Haji Muhammad Ashraf, and Zafar Iqbal, to cover basic expenses as specified in the note verbale of the Islamic Republic of Pakistan...," the notification said.

FATF's questions

Pakistan's decision to apply for funds for Hafiz Saeed follows questions raised by the Financial Action Task Force (FATF) earlier this year. Pakistan's letter had requested that Saeed be allowed access to a total of 1,50,000 Pakistani rupees a month to cover

his and his family's expenses.

The APG (Asia Pacific Group) sub-group meeting in Beijing in May 2019 had asked Pakistan for details of how more than 100 UN-sanctioned entities, including Saeed, were sustaining themselves.

Providing any of these entities access to funds without UNSC approval is a violation of Pakistan's commitments and part of the 27-point action plan that it is expected to be approved on ahead of the FATF meet in November that will decide on its "grey-list" status.

Saeed, who heads the Ja-

maat Ud Dawa (the political arm of terrorist group Lashkar-e-Taiba), has had his financial assets frozen and is under a travel ban since he was designated by the 1267 Committee in December 2008 for being associated with LeT and Al Qaeda and for "participating in the financing, planning, facilitating, preparing or perpetrating of acts of activities by, in conjunction with, under the name of, on behalf or in support of both entities." The notice also says no objections were raised within the stipulated deadline.

Testing the waters: The Scorpene submarine Khanderi to be inducted into the Navy on Saturday. ■SPECIAL ARRANGEMENT

Daewoo in, SAAB out of submarine tender

4 other companies have shown interest

DINAKAR PERI
NEW DELHI

The Swedish defence major SAAB has pulled out of the contest to supply the Navy with six advanced conventional submarines under Project-75I. South Korea's Daewoo Shipbuilding & Marine Engineering has made a last-minute entry, official sources said.

The Navy on September 24 opened the responses from the original equipment manufacturers to its expression of interest. SAAB informed the Defence Ministry that it could not take part in the tender, and Daewoo Shipbuilding was given the last-minute invite to submit its bid, a defence source said.

When contacted by *The Hindu*, Ola Rignell, chairman and managing director, SAAB India, said in an email: "It is a decision we have made due to the customers' requirements regarding the time schedule and the requirements related to the Strategic Partnership policy with its imbalance between our possibilities to have con-

trol and our obligations and liabilities."

"We believe we have a very competitive product that would suit the customer well," he said. But, after having examined the expression of interest, the company decided "not to enter the competition due to the above reasons."

₹45,000-crore deal

Daewoo Shipbuilding has joined four other companies in the fray: Naval Group (France), Navantia (Spain), Rosobornexport (Russia) and TKMS (Germany).

The ₹45,000-crore deal to build six submarines in India under technology transfer is being processed through the Strategic Partnership, under which foreign manufacturers will have to tie up with Indian private companies to make the product locally. The request for information was issued in mid-2017, but there was no progress for want of clarity on some aspects of the Strategic Partnership. The expression of interest was issued in June this year.

High drama at SAARC Ministers' meeting

India, Pak. boycott each other's statements; tensions at meet set stage for speeches by two PMs at UN

SUHASINI HAIDAR
NEW YORK

Pakistan and India boycotted each other's statements at a meeting of the South Asian Association for Regional Cooperation (SAARC) Foreign Ministers here on Thursday.

Pakistan Foreign Minister Shah Mehmood Qureshi said he would not attend the speech by External Affairs Minister S. Jaishankar first, announcing at the last minute that he would not attend the lunch while Mr. Jaishankar was speaking. Mr. Jaishankar then made his statement and left the meeting, minutes before the Pakistani Foreign Minister's arrival, ensuring that the two Ministers were not present in the room together at any point.

Mr. Jaishankar did not

comment on the dramatic events at the SAARC meet. Later, tweeting about his speech, he wrote, "Ours is not just a story of missed opportunities but also of deliberate obstacles...Elimination of terrorism is a precondition not only for fruitful cooperation but also for the very survival of the region itself."

As he went in to the meeting, Mr. Qureshi said he

could not "sit and talk" with "killers of Kashmiris".

Mr. Qureshi's decision was put out in a tweet 20 minutes after the meeting was due to start at a downtown hotel near the UN. The tweet, put out by Pakistan's ruling party the PTI, said Pakistan would not engage with India unless it "lifted the siege and put an end to atrocities in [Kashmir]". The lunch meet then proceeded as sche-

duled with statements from delegations and Ministers from other SAARC countries including Afghanistan, Bangladesh, Bhutan, the Maldives, Sri Lanka and the current SAARC chair Nepal, who sat through both statements.

Pakistan was represented by Foreign Ministry spokesperson Mohammad Faisal during the External Affairs Minister's speech, and he indicated to Mr. Jaishankar that he would officiate in place of Mr. Qureshi.

Ironically, Mr. Faisal had told *The Hindu* just a few minutes prior to the lunch that the SAARC charter did not allow for "bilateral issues to take centre-stage". Pakistan has been protesting India's decision to boycott the SAARC summit due to be held in Islamabad since 2016, until cross-border ter-

rorism ends, which has meant that the SAARC summit, which requires all leaders to attend, cannot be held. India has engaged all other SAARC members at different fora.

After the meeting, Mr. Qureshi said Pakistan had secured the consent of the group to organise the SAARC summit in Islamabad next year.

"If India thinks it is still a member of SAARC, it is most welcome to attend," Mr. Qureshi said, adding that "no country" had objected to Pakistan's proposal.

The tensions at the SAARC Foreign Ministers' meeting have set the stage for speeches by Prime Minister Narendra Modi and Pakistan Prime Minister Imran Khan, the first time the two leaders will face-off at the UN.
