MARLOW (UK), SEPTEMBER 28
Gurjit Kaur's last-minute goal helped the Indian women's hockey team beat Britain 2-1 in a thrilling first match of their five-match series. It was a brilliant come-from-behind victory for India after trailing 0-1 as goals from Sharmila Devi and Gurjit sealed the issue for the visiting side.
In the first quarter, neither team managed to break the deadlock, despite sporadic attacks from both. In the second quarter, India took control of the game and won a couple of penalty corners in the first few minutes, forcing smart saves from custodian Maddie Hinch. Britain broke through first in the final quarter, with Emily Defrond scoring in the 46th minute to give her team the lead. Trailing 0-1, India creat-

ed pressure on the home team and soon Sharmila restored parity. The match looked like ending in a draw, but with 48 seconds left,

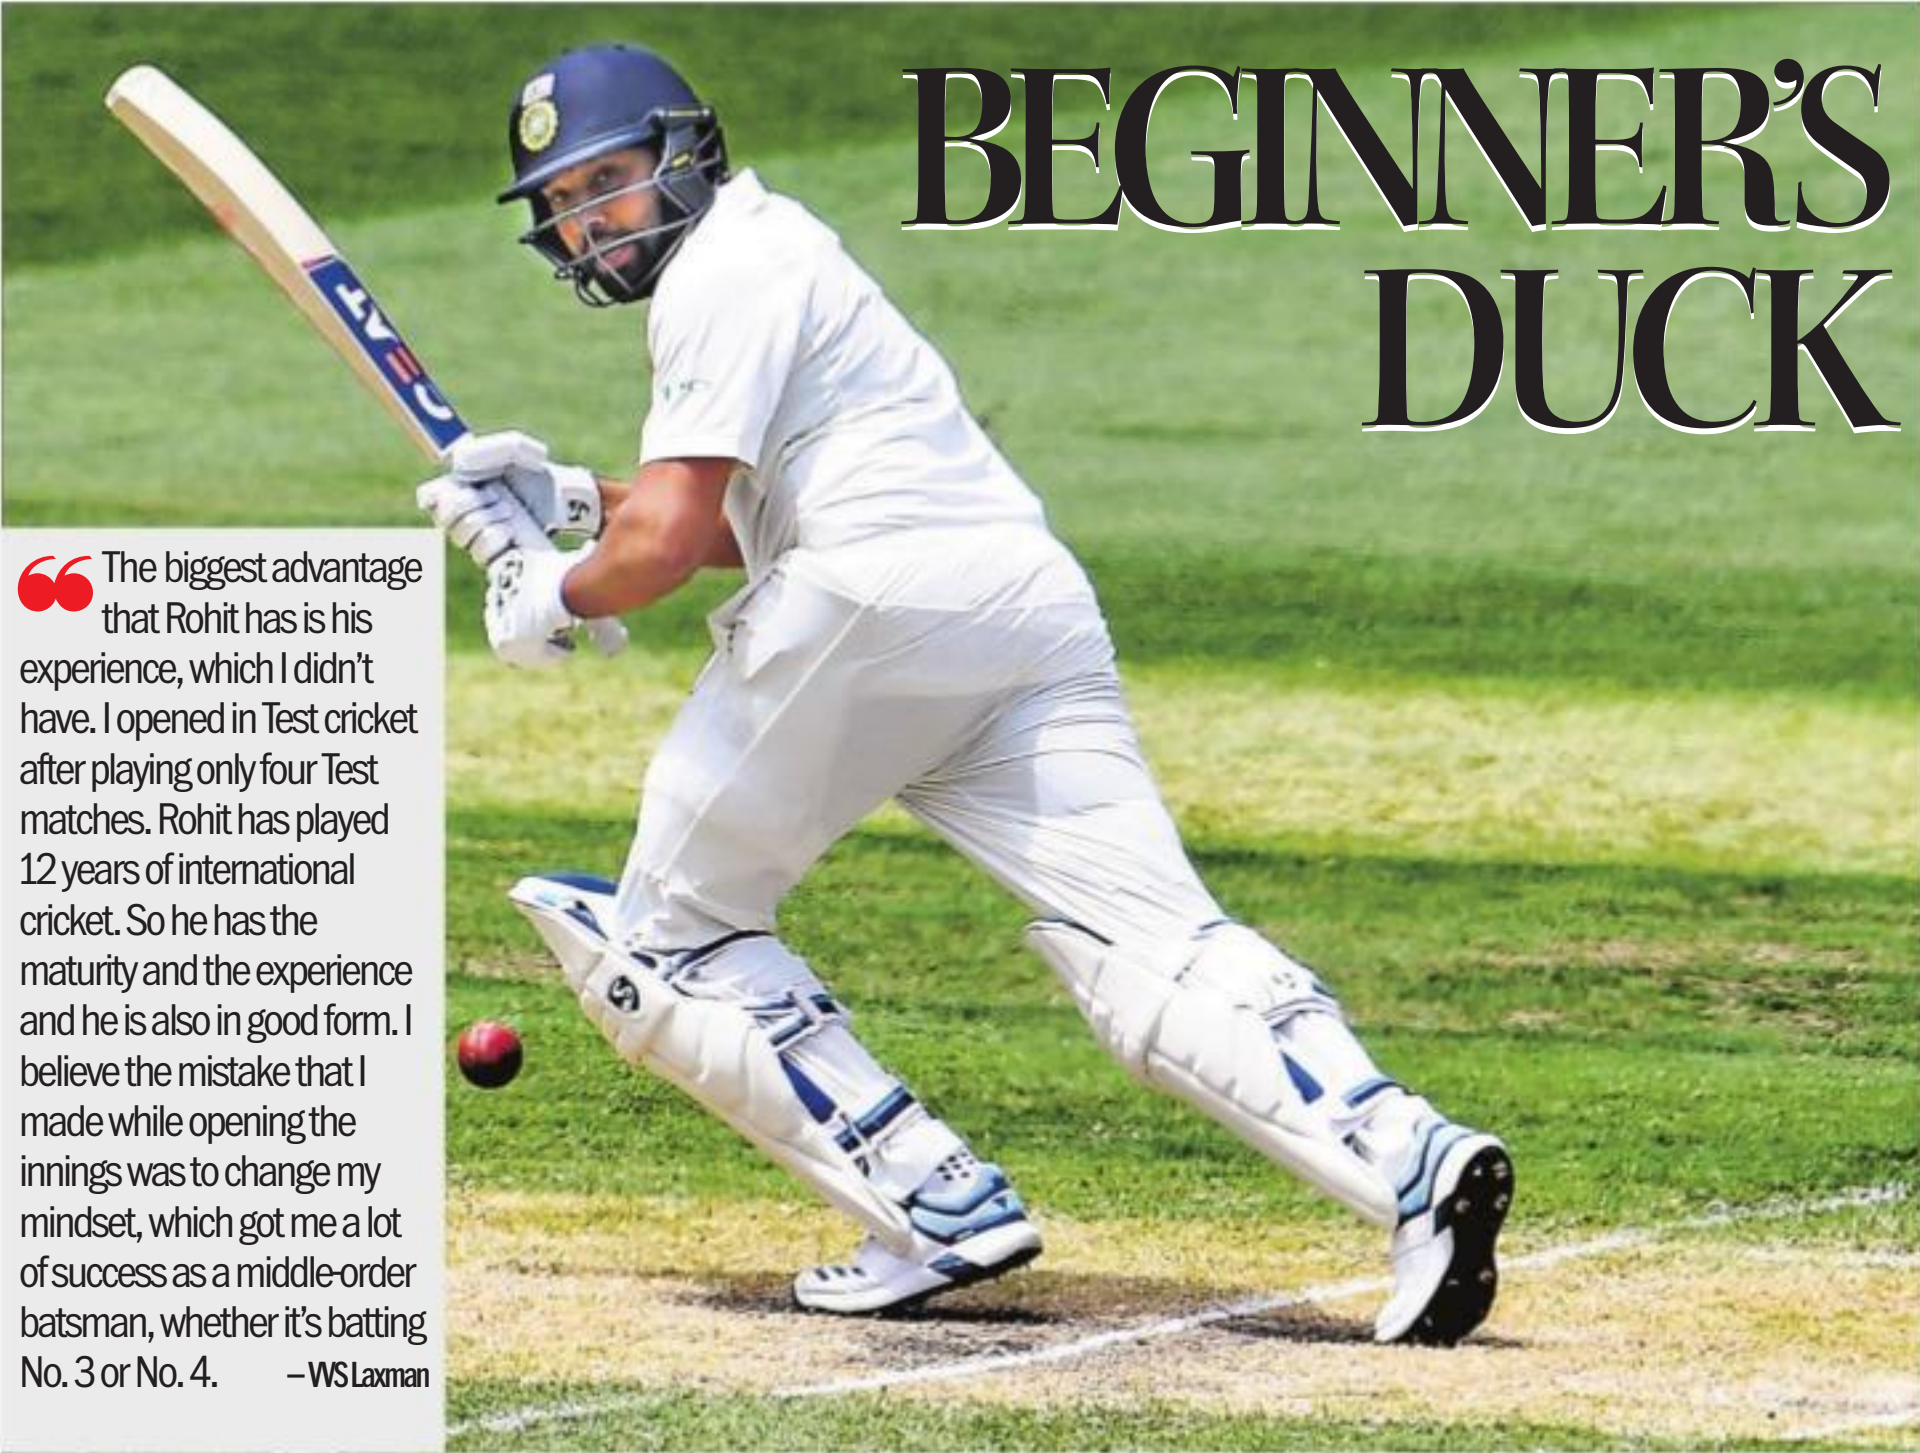

India won a short corner and Gurjit successfully converted it. The second match of the series will be played on Sunday.

Harmanpreet's brace Antwerp: Harmanpreet Singh was the star of the evening with two goals as India crushed Spain 6-1 in their second match of their tour of Belgium. After a goal-

less first quarter, India inched ahead when Manpreet Singh sounded the board to put the team 1-0 up. Then, just before the end of the second quarter, Harmanpreet calmly scored off a penalty corner to make it 2-0, but Spain pulled one back before the half-time whistle.
Just two minutes into the third quarter, Harmanpreet scored again with a drag-flick to make it 3-1. Spain tried hard to score but could not breach the Indian defence. Nilakanta Sharma, Mandeep Singh and Rupinder Singh completed the 6-1 scoreline. India will take on Spain again tomorrow (Sunday). India had beaten Belgium 2-0 in the first match. — Agencies

Opener Rohit fails to score; Panchal, Bharat shine in drawn game

“The biggest advantage that Rohit has is his experience, which I didn't have. I opened in Test cricket after playing only four Test matches. Rohit has played 12 years of international cricket. So he has the maturity and the experience and he is also in good form. I believe the mistake that I made while opening the innings was to change my mindset, which got me a lot of success as a middle-order batsman, whether it's batting No. 3 or No. 4. — WSLaxman

VIZIANAGARAM, SEPTEMBER 28
Rohit Sharma's trial run as an opener lasted only two deliveries as he was dismissed without troubling the scorers in a drawn warm-up game between the Indian Board President's XI and the visiting South Africans.
Test aspirants Priyank Panchal (60) and wicketkeeper batsman Kona Bharat's quickfire 71 off 57 balls were the highlight of Board President XI's 265/8 in 64 overs. Mumbai batsman Siddhesh Lad (52) also helped himself to a half-century after South Africa declared their first innings at 279/6. Temba Bavuma remained unbeaten on 87, while Vernon Philander (48) added quick runs to the total.
All eyes were on Rohit on the final day of the game as he came out to open alongside Mayank Agarwal. Seamer Philander got a ball to move a shade and Rohit edged it to substitute wicketkeeper Heinrich Klaasen, who kept wickets instead of Quinton de Kock.

4 openers in team
The first four batsmen in the batting order were all openers and Agarwal (39) and Panchal had a better day in office compared to Rohit and Abhimanyu Easwaran (13).
Easwaran was dismissed by Kagiso Rabada, caught by Aiden Markram, bringing in Gujarat's Panchal to join Agarwal. The duo added 52 runs for the third wicket before Agarwal was

out trying to give left-arm spinner Keshav Maharaj (3/35) the charge. His 92-ball knock had six boundaries.
Coming in at No. 4 in the 11th over, Panchal looked solid as he hit 10 fours and one six, adding 49 runs with Karun Nair (19). It was Philander (2/27) who dismissed him in his second spell, caught by skipper Faf du Plessis. Nair was out edging Keshav Maharaj to Klaasen as the Board President's XI

were reduced to 136/5. Bharat and Lad added 100 runs for the sixth wicket, in only 20 overs.
Brief Scores: South Africa: 279/6 decl. (Aiden Markram 100 ret'd. out, Temba Bavuma 87*; Vernon Philander 48, Dharmendrasinh Jadeja 3/66); **Board President's XI:** 265/8 (Rohit Sharma 0, KS Bharat 71, Priyank Panchal 60, Siddhesh Lad 52*; Vernon Philander 2/27, Keshav Maharaj 3/35). — PTI

BEGINNER'S DUCK

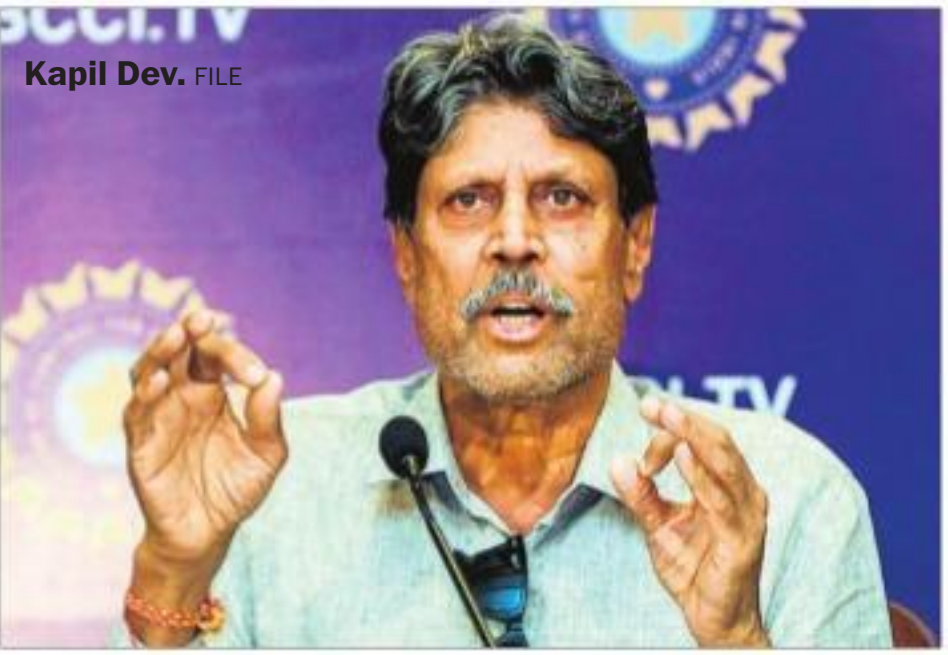

Let call on retirement rest with MSD: Dhawan
The decision to call time on his illustrious international career is Mahendra Singh Dhoni's sole prerogative as he knows a thing or two about taking important decisions, feels senior opener Shikhar Dhawan.
"Dhoni has been playing for so long, I feel he understands when he should retire. This should be his decision. He has taken very important decisions so far for India in his career and I'm sure he will make the call when the time comes," Dhawan said. There was no one better than Dhoni when it came to optimising each and every player's potential, Dhawan added.
"That's the quality of a big leader. He knows the potential of every player, and knows to what extent a player should be backed. He knows how to make a champion out of a player," Dhawan said. — PTI

Conflict of interest notice to Kapil-led advisory panel

NEW DELHI, SEPTEMBER 28
The BCCI Ethics Officer DK Jain sent a notice to Cricket Advisory Committee (CAC) comprising Kapil Dev, Shantha Rangaswamy and Anshuman Gaekwad, asking the former cricketers who picked the current India coach to respond by October 10 to the conflict of interest allegations levelled against them.
MPCA life member Sanjiv Gupta had filed the complaint against the trio who picked Ravi Shastri as the head coach in August. "Yes, they have been asked to respond to the complaint with affidavits," a BCCI official said.
As per the BCCI constitution, no individual can hold more than one post at the same time. In the complaint, Gupta has claimed that the CAC members don multiple cricketing roles.

“Yes, they have been asked to respond to the complaint with affidavits — BCCI official

He wrote that 1983 World Cup-winning captain is conflicted as he is a commentator, owner of a floodlight company, member of Indian Cricketers Association, besides his CAC role.
Likewise, Gupta alleged that Gaekwad too is conflicted as he owns an academy and is a member of the BCCI affiliation committee. Rangaswamy, a former Indian women's team captain, is alleged to be conflicted because of her multiple role with the CAC and ICA. The CAC had also picked the women's head coach WV Raman in December but at that time it was an ad-hoc committee. — PTI

Mary's burden of expectations

Mother of 3 gears up for her 9th Worlds, beginning on Oct 3 in Russia

NEW DELHI, SEPTEMBER 28
She is the most successful boxer in the history of Boxing World Championships but Indian icon MC Mary Kom says she is a shade "nervous" heading into her ninth appearance at the showpiece, not because of the competition that awaits her but the overwhelming expectations at home.
Mary Kom has to her credit six gold medals and one silver in the eight World Championships appearances, the last of which was in New Delhi in 2018. Statistically, she is the most successful boxer in the event and has also earned the moniker "Magnificent Mary" from the International Boxing Association (AIBA).

“I will give my best but cannot guarantee a medal. I tell myself that too but the pressure is always there and so is the stress of handling it. It can make you nervous — MC Mary Kom, SIX-TIME GOLD MEDALLIST IN WORLD CHAMPIONSHIPS

and so is the stress of handling it. It can make you nervous," the 37-year-old said. Mary Kom and the rest of the Indian team will depart for the mega event early Sunday morning. "The World Championships is a familiar space for me but the competition is always new. I am looking forward to it," she said.
The mother of three will be competing in the 51kg category, which is on the

Olympics roster. Her last world title came in the 48kg division. She has dominated the 48kg category like no one else and has also managed to get the results even in the higher category, the best being the 2012 London Olympics bronze and the 2014 Asian Games gold. But none of her world titles have been in the 51kg division.

tions, she competed in the 51kg category and lost in the quarterfinals on both the occasions. That's one rare record she would be aiming to improve next week. "I have good results in both 48kg and 51kg. In the 51kg category, the challenge has always been strength. That's been my focus even for the upcoming World Championships and I am ready for it. It's not a new category for me but again results can never be predicted," was her familiar assessment of how the tournament might pan out.
This year, Mary Kom won gold in the India Open and the President's Cup in Indonesia. She skipped the Asian Championships to prepare for the world event. — PTI

Kashyap puts up fight but Momota unstoppable, in final

INCHEON, SEPTEMBER 28
Shuttler Parupalli Kashyap's impressive run at the Korea Open badminton tournament came to an end after he lost to world No. 1 Kento Momota of Japan in the men's singles semifinals.
A former world No. 6, Kashyap went down 13-21 15-21 to the two-time reigning world champion Momota in 40 minutes. The 2014 Commonwealth Games gold medallist had last played Momota four years ago at the Indonesia Open. Kashyap had a 0-2 record against the Japanese prior to today's encounter.
The 33-year-old from Hyderabad showed the intent to hang in as the duo played a lot of tosses and lifts. Momota opened up a 9-5 lead early on. A deceptive return and a body smash gave the Indian a couple of points before the Japanese entered the break with a four-point advantage after a long rally. Kashyap often hit wide and long to lose points at the end of energy-sapping rallies. This helped Momota as he continued to accumulate points, reaching 18-10.

The Indian unleashed a couple of smashes on Momota's forehand to slowly narrow the lead to 11-12. A superb net stroke brought Kashyap to par but he then hit the net and sent one return long as Momota again surged ahead.
Momota soon made it 19-13 and grabbed six match points with a crosscourt smash. Kashyap saved one before the Japanese unleashed another accurate return to seal his place in the final, where he will face Chinese Taipei's Chou Tien Chen. — PTI

Mixed 4x400m relay team in final, books Oly berth | Dutee out in Rd 1 | Jabir exits in semis

DOHA, SEPTEMBER 28
The Indian mixed 4x400m relay team qualified for the 2020 Tokyo Olympics after reaching the finals in the World Championships here today.

The mixed 4x400m relay team of Muhammed Anas, V K Vismaya, Jisna Mathew and Tom Nirmal Noah clocked 3 minutes 16.14 seconds to finish third in heat No. 2 and book a berth in next year's Olympics.

The top-3 in each of the two heats and the next two fastest qualify for the final of the World Championships to be held tomorrow. India entered the final as one of the automatic qualifiers. The finalists (top-8) in relay races in the World Championships are automatic qualifiers for the Tokyo Olympics.

WORLD CHAMPIONSHIPS

Anas ran the first leg and after that Vismaya led the whole second leg, giving India the lead midway into the race. Third leg runner Jisna was overtaken by Japan and Poland. The baton exchange between Jisna and final leg runner Noah was not that smooth and there was loss of split seconds.

But in the end, Noah was able to finish third to take India to the World Championships final and Tokyo Olympics.

India finished seventh overall with United States on top of timings chart with 3m:12.42s. It will be tough for India to win a medal in the final but an important objective of the contingent has been realised. There was an air of relief in the Indian camp. Midnight rush: Chepngetich beats Doha heat to win marathon

Doha: Kenya's Ruth Chepngetich overcame extreme heat and humidity to win the World Championships midnight marathon on Friday, in a gruelling test of survival that saw nearly a third of the 70 starters fail to reach the finish line. Chepngetich, who has clocked the third fastest marathon of all-time, did not come close to matching that in the punishing conditions. Her winning time of two hours, 32 minutes, 43 seconds was the slowest ever to win the World Championships. Still, it was enough for a comfortable victory over Bahrain's defending world champion Rose Chelimo, who settled for silver crossing more than a minute adrift. for the Olympics," Athletics Federation of India's Planning Commission Chairman Lalit Bhanot said."

Meanwhile, sprinter Dutee Chand's World Championships campaign ended in disappointment as she crashed out in the first

round while 400m hurdler MP Jabir made an exit in the semifinals here today.

Dutee clocked 11.48 seconds — one of her worst timings this season — in the women's 100m heats to finish seventh in her heat and 37th overall among 47 com-

petitors. Running in the outermost lane, Jabir finished fifth in men's 400m hurdles semifinals heat No. 3 and 16th overall among 24 runners with a time of 49.71 seconds. The top two finishers in each of the three semifinal heats and the next two

fastest runners qualify for the finals. Jabir had qualified for the semifinals with a timing of 49.62 seconds on Friday but he could not improve upon it on Saturday. He has a personal best of 49.13 which he had clocked this year.

Reigning world champion Karsten Warholm of Norway led the runners into the finals with a timing of 48.28 seconds.

Price 1st American woman to win hammer world title
DeAnna Price won the women's hammer at the World Athletics Championships to become the first US athlete to claim the title.

Price, who led qualifying with 73.77 metres, threw 77.54 metres with her third attempt as she took advantage of the absence of four-times world champion Anita Wlodarczyk who was sidelined with injury.

Joana Fiodorow was second with a personal best of 76.35 and China's Wang Zheng took bronze with 74.76.

No problem for Coleman
American Christian Coleman powered towards a Worlds gold medal by posting a sizzling time of 9.88 seconds in the 100 metre semifinals while defending champion Justin Gatlin squeaked into the final.

With the top two from each of three semifinals advancing directly, Gatlin needed one of the two fastest remaining times to book his spot. However, his spot was confirmed after South Africa's Akani Simbine took the final heat in 10.01 ahead of Britain's Zharnel Hughes with the remainder of the field unable to better the American's time. — AFP

Bhullar fires 68, Sharma tied-60th at Dunhill Links

ST. ANDREWS (UK), SEPTEMBER 28
Indian golfers Gaganjeet Bhullar and Shubhankar Sharma landed an eagle each, both on par-5 fifth in the second round of the Alfred Dunhill Links Championship here. Bhullar's 4-under 68 took his total to 7-under after two rounds and placed him at tied-42nd, while Sharma was 6-under at T-60th after bringing home a flawless 67 on Day 2.

GOLF ROUNDUP

Meanwhile, Matthew Jordan carded a stunning 64, which included a hole-out eagle two followed by five successive birdies, at St Andrews Old Course to take the halfway lead.

Bhullar had a fine front nine at St. Andrews with birdies on third, seventh and eighth and in between eagled the fifth but also dropped a shot on 17th.

Sharma, on the other hand, was bogey-free as he birdied second, eagled fifth, birdied 10th and 13th.

The 23-year-old Jordan caught fire when he holed out with his approach at the par-4 third hole. He was still in the lead at 14-under total.

Aditi, Diksha make cut

Barcelona: Indian trio Aditi Ashok, Diksha Dagar and Tvesa Malik made the cut at the Estrella Damm Mediterranean Ladies Open golf tournament in Sitges here.

The only one missing out was Astha Madan (81-77).

Aditi shot a bogey-free 4-under 67 to get to 1-under 141 following her first round 73 and is now tied-eighth for a possible first top-10 this season since

Abu Dhabi in January.

Dagar, the only winner this season, found a birdie on the very last hole, the 18th after a patchy day to make the weekend. She had three birdies, including one on the closing hole besides a bogey on the par-5 seventh and a double bogey on par-4 ninth and a bogey on the 17th. She shot 75 in the first round.

Tvesa Malik had a roller-coaster of a round as she dropped four bogeys in the first five holes with a birdie on the second. She seemed in danger of missing the cut before finding birdies on the fifth, seventh and ninth. She had a 73 on first day. Germany's Laura Fuenfstueck fired a second consecutive 68 to lead by three

at the halfway stage.

Sandhu tied-6th

Kobe (Japan): Ajeetesh Sandhu stayed on course for a top-10 finish at the Panasonic Open Japan with an even-par 71 in the third round but overnight leader and defending champion Rahil Gangjee slipped after carding a 5-over 76 here today. Sandhu, lying tied-6th after two rounds, is now 7-under 206 and tied-9th, while Gangjee slumped to tied-32 from sole lead with a total of 4-under 209.

Viraj Madappa, the third Indian to make the cut this week, added 1-under 70 to get to 1-under 212 and tied-56th.

Lahiri misses cut

San Francisco: Anirban Lahiri paid the price for missing a lot of fairways as he didn't make the cut despite two birdies in last three holes at the Safeway Open Golf Championship.

Lahiri, who has now made only one cut in three starts in the new season, shot a 1-under 71 after an even-par 72 in the first to miss the cut by one. He was tied-68th. —PTI

Leclerc does a Schumi with 4th pole in row

SOCHI, RUSSIA, SEPT 28

Charles Leclerc became the first Ferrari driver since Michael Schumacher to take four pole positions in a row today in a Russian Grand Prix qualifying session that bridged the generations.

Formula One leader Lewis Hamilton joined the Monegasque, who was three years old when Schumacher racked up four poles in a row in 2000, on the front row with Mercedes unable to match Ferrari's single lap speed. The unfazed 21-year-old has now outqualified four times world champion teammate Sebastian Vettel, who starts in third place, for nine successive races but he was not about to get carried away after his sixth pole of the season.

"The car felt amazing. It feels great to be back on pole but I don't know if it's the best track to start on pole," said Leclerc. — Reuters

Ronaldo helps Juve cling to Inter's heels

TURIN, SEPTEMBER 28
Cristiano Ronaldo helped Juventus to continue their unbeaten start to the Serie A season with a comfortable 2-0 home victory over struggling SPAL today.

FOOTBALL ROUNDUP

Miralem Pjanic's strike put the hosts in front on the stroke of halftime before Ronaldo, who missed Tuesday's win over Brescia with a minor injury, headed his third goal of the campaign with 12 minutes remaining.

Juve top the table on 16 points but Inter Milan can return to the summit when they travel to Sampdoria later today. Juventus and Inter will go head-to-head at San Siro next Sunday in a match that is expected to have a big impact on the title race.

cessive Premier League victory, beating Sheffield United 1-0 after home keeper Dean Henderson fumbled Georginio Wijnaldum's 70th-minute shot at Bramall Lane today.

But the high-flying visitors often looked lethargic, misshitting crosses, slicing shots and squandering possession on a ground where

they had not won since 1990.

Gabriel Jesus, Riyad Mahrez and Raheem Sterling were on target as champions Manchester City won 3-1 at Everton to stay five points behind the leaders.

Meanwhile, second-half goals from Jorginho with a penalty and Willian's deflected shot earned Frank Lampard's Chelsea a 2-0

victory over Brighton and Hove Albion, their first home win of the season.

Jorginho slotted the penalty into the bottom corner after Brighton defender Adam Webster had miscontrolled the ball and brought down Mason Mount as the young Chelsea midfielder rushed in to take advantage. Willian fired home after a crossfield ball from substitute Callum Hudson-Odoi in the 76th minute.

Barca blank Getafe

Madrid: Barcelona ended a string of bad results away from home with a 2-0 win at Getafe today in La Liga.

Strikes by Luis Suarez and Junior Firpo either side of halftime gave the Spanish champions their first win of the season, although they finished with 10 men after Clement Lenglet's dismissal. Barca moved into second with 13 points from seven matches. — Reuters

In a first, Japan dish out Ireland upset to reach knockouts

arguably more significant. "You've just got to be careful before the game, you don't want to come across arrogant or cocky but we had a lot of belief in our gameplan, we

knew what we wanted to do. We knew how strong Ireland were," coach Jamie Joseph said. The hosts were utterly worthy winners and having admitted that their nerves

got the better of them in the 30-10 curtain-raising win over Russia, there was no repeat eight days later.

They came flying out of the blocks and, after Kotaro Mat-

sushima was a bounce away from getting his fourth try of the World Cup, Tamura missed an easy penalty chance to turn 10 minutes of impressive phases into three points. He would barely put a foot wrong after that.

SA crush Namibia

Toyota City: South Africa's electric wing Makazole Mapimpi scored two tries as they eased to a nine-try 57-3 win over neighbours Namibia but it was a far from polished performance in the Rugby World Cup Pool B clash at the City of Toyota Stadium.

Billed the 'African Derby', there was only ever going to be one winner despite what Springbok coach Rassie Erasmus termed his 'fringe' selection, and minnows Namibia simply could not cope with the physicality of

the South Africans. Hooker Bongi Mbonambi (two), loose-forwards Francois Louw, Schalk Brits and Siya Kolisi, full-back Warrick Gelant and centre Lukhanyo Am also crossed for tries, but there was a lack of cohesion and, at times, quality that will worry Erasmus.

Pumas trounce Tonga

Osaka: Argentina hooker Julian Montoya scored a hat-trick in the first 26 minutes as the Pumas got their campaign back on track with a 28-12 victory over Tonga that snapped a 10-match losing streak.

Argentina had failed to turn up in the first half of their opening loss to France last week but there was no repeat as a fourth converted try from winger Santiago Carreras quickly wrapped up the bonus point. — Reuters

Clear vendor dues by Oct 15, FM tells PSUs

Centre’s move aimed at boosting spending, growth

TRIBUNE NEWS SERVICE

NEW DELHI, SEPTEMBER 28

Aiming to boost spending and growth, the Central government today directed all Central Public Sector Enterprises (CPSEs) to make a determined effort to clear pending payments to vendors while going ahead with its capital expenditure plans in the second half of the current financial year.

“It was decided that all pending dues to be cleared by October 15 and if necessary get the papers cleared... no excuse of some paper pending... and by October 15 they will have a portal through which all dealers and contractors shall start monitoring their payment,” Finance Minister Nirmala Sitharaman told the media after reviewing capital expenditure spending with the heads of Maharatna and Navratna CPSUs here today.

Discussing ways to tackle pending bills, including government payment where 75 per cent post-arbitration awards get stuck due to issue of bank guarantee, she said a meeting would be held with the Reserve Bank of India, the Finance Secretary and selected enterprises to work a way out.

The CPSEs have been asked to work out and detail the lifespan of arbitrations where payments are locked following dispute with contractors and vendors. The Minister also sought to know reasons for CPSEs making purchases worth crores when these were available on government’s

₹88 LAKH CR DEBT WORRISOME: CONG

India had a “worrisome” debt burden of over ₹88 lakh crore at the first financial quarter of 2019 with the government apparently having no inkling to deal with the country’s economic slowdown, the Congress said on Saturday. Congress spokesperson Supriya Shrinate said the debt had risen by 4 per cent (₹3.5-4 lakh crore) compared to the last quarter. “There seems to be no plan with the government to deal with the slowdown.”

E-Market Portal. Today’s exercise is part of the meetings and consultations, the Finance Minister is holding with various groups, associations, trade bodies and stake holders on steps required to revive economic growth, which went down to

5 per cent in the first quarter of this fiscal.

Finance Secretary Rajiv Kumar said 34 central PSUs have already spent Rs 48,077 crore till August and have detailed spending of another Rs 50,159 crore till December 2019. An additional Rs 54,700 crore would be spent in the January-March quarter. The expenditure plan is on track and companies have expressed their willingness to meet the target set for the current fiscal, he said.

Expenditure Secretary Girish Chandra Murmu said for the current financial year, capital expenditure of all the 244-odd PSUs will be around Rs 4 lakh crore and that it could rise depending on the requirement. As for pending payments, he said, around Rs 55,000 crore of the Rs 60,000 crore on date were cleared.

Public procurement as a percentage of the GDP in the country is estimated between 20 to 22 per cent. With the Indian economy at \$2.7 trillion, this amounts to public procurement to the tune of \$500 billion annually. CPSEs are a major contributor to public procurement of goods and services, an official release said.

The ministry said the CPSEs should double their contribution to the gross domestic product (GDP) and be the third major source of revenue for the Centre after direct and indirect taxes. They must also make efforts to reduce the country’s imports bill and expand India’s global strategic reach by 2022, it added.

Amid seat-sharing crisis, Uddhav talks tough

MUMBAI, SEPTEMBER 28

Shiv Sena chief Uddhav Thackeray said here today his aim was to bag the post of Chief Minister for his party.

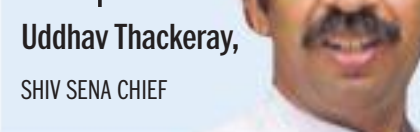

“I had promised Balasaheb that I will make a Shiv Sainik the next Maharashtra Chief Minister. I am committed to fulfilling that promise,” Thackeray said while addressing party workers. Those in attendance for party were workers aspiring to contest all 288 Maharashtra Assembly seats. “I have called the aspirants from all 288 seats because I want the Shiv Sena

to come to power in Maharashtra. I want the Shiv Sena to be strengthened in all constituencies in the state. If the alliance with the BJP materialises, the Shiv Sainiks will work for the victory of the BJP’s candidates. I am sure the BJP will support our candidates from the seats we contest,” Thackeray said.

Thackeray’s tough talk comes at a time when seat-sharing talks between the Shiv Sena and the BJP have been stuck. At today’s party convention, Thackeray indicated that the Sena has com-

Uddhav Thackeray, SHIV SENA CHIEF

pleted the process of selecting its candidates and was ready to go it alone if

required. The BJP had broken its alliance with the Shiv Sena on the eve of the 2014 Assembly elections, forcing the Thackerays to scramble for candidates in many seats.

Indicating the break-up remained a sore point with him, he said Sena would not attack anyone from behind. “We do not stab anyone from the back. If we have to attack someone we do it from the front,” Thackeray said.

The Shiv Sena leader also used the occasion to hit out at the NCP. “I am fully committed to politics. I will not quit

politics and do farming. I will work as an ordinary Shiv Sainik if required,” Thackeray said referring to Ajit Pawar’s resignation from the state Assembly on Friday.

Thackeray also took a dig at Sharad Pawar who did not appear before the ED after being spoken to by Mumbai’s police commissioner. “When my father appeared before the court, no one told him to stay at home fearing for the law and order,” Thackeray said. He noted that Bal Thackeray was arrested when the NCP was in power. — TNS

officers discuss the prevailing law and order issues in the state. They stressed the need to ensure new security measures are adopted in all districts following the busting of a Khalistan Zindabad Force terror module.

“The individuals for whom the consignment of weapons had been dropped are yet to be arrested, so the threat of terror remains in the state. Therefore, there is a need to stay extra vigilant during all impor-

tant functions and festivals,” the DGP is learnt to have told the officers. “Our teams have already done a good job by recovering the weapons and arresting some of the accused, but district wings need to stay alert,” the DGP said.

The meeting is significant as the KCF module that received weapons from across the border through drones earlier this month failed to carry out a terror strike as its Pakistan-based handlers couldn’t put together a “strike team” in

time to use the weapons. The weapons were believed to be meant for terrorists in Punjab or Kashmir. “We are sure there are elements out to harm peace in Punjab and it is a cat-and-mouse game. The meeting was held to tell all district heads to stay alert,” said a top officer.

The DGP said he could not comment on the specific threat from terrorists entering from Jammu and Kashmir, but “cross-border infiltration is always a threat”.

a phenomenon of today’s vibrant democracies,” she said. “We would request you to refresh your rather sketchy understanding of history. Do not forget the gruesome genocide perpetrated by Pakistan against its own people in 1971 and the role played by Lt Gen AAK Niazi. A sordid fact that the Hon’ble PM of Bangladesh reminded this Assembly about earlier this afternoon.” Maitra said Khan’s “threat of unleashing nuclear devastation qualifies as brinkmanship, not statesmanship.

Even coming from the leader of a country that has monopolised the entire value chain of the industry of terrorism, PM Khan’s justification of terrorism was brazen and incendiary,” she said.

“Citizens of India do not need anyone else to speak on their behalf, least of all those who have built an industry of terrorism from the ideology of hate.”

Maitra added that having “mainstreamed terrorism and hate speech,” Pakistan was trying to play its wild card as the new-found champion of human rights. In his

address, Khan had invited UN Observers to Pakistan to verify that there are no militant organisation in Pakistan.

Maitra said Khan, once a cricketer and believed in the gentleman’s game, had given a speech that was “bordered on crudeness of the variety that is reminiscent of the guns of Darra Adam Khel. She said Pakistan was a country that had shrunk the size of its minority community from 23 per cent in 1947 to 3 per cent today and subjected Christians, Sikhs, Ahmediyas, Hindus, Shias, Pashtuns, Sindhis and

Balochis to draconian blasphemy laws, systemic persecution, blatant abuse and forced conversions. “Their newfound fascination for preaching human rights is akin to trophy-hunting of the endangered mountain goat, markhor,” she observed.

Pakistan’s virulent reaction to the removal of an outdated and temporary provision that was hindering development and integration of the Indian state of Jammu and Kashmir stems from the fact that those who thrive on conflict never welcome the ray of peace, Maitra said. — PTI

School classes under tent

As many as 180 students of the school attend classes in the open, seated on the floor. Three of the five classrooms are in a dilapidated state. These were declared “unsafe” in 2015. The school authorities decided to take classes in the open in June, fearing that the schoolbuilding could collapse during the rainy season. After several students took ill, the staff, with the help of villagers, raised tents to provide

a temporary roof. A worried Iqbal Kaur, the headteacher, said the situation was bound to get worse in winters.

The staff members said the school had not received grant since 2014. “These students certainly deserve better,” observed the headteacher. District Education Officer (Primary), Amarjeet Singh, said: “We wrote to the government a couple of times. We are hopeful the problem will be solved within a month.”

three suspicious individuals tried to stop a vehicle in Batote along the National Highway 244. The driver did not stop the vehicle and informed the nearest Army post. A Quick Reaction Team (QRT) reacted promptly and contact was established with the suspected militants.”

“After having initial exchange of fire with the QRT, the armed militants managed to escape from the spot at Kundrala, nine kilometres away from Batote. After a hot chase, they entered the house of Vijay Mehra, who was taken hostage for hours,” a senior police official said, adding that the CISF reached the spot and the militants were asked to surrender but they refused to do so. Teams of the police, Army, CISF and CRPF cordoned off the area and the exchange of fire ensued.

The official said, “The militants tried to divert the attention of security agencies by projecting that there were five militants in the house. However, a boy who managed to escape, told the security agencies about the presence of only three militants.” The official said a fresh

exchange of fire started between the holed up militants and security forces, and three militants were killed.

Two militants have been identified as Osama and Zahid, while the identity of the third is yet to be established. Osama was mastermind in the killings of Parihar brothers and a senior RSS functionary in Kishtwar. He was also involved in rifle-snatching incident of PDP leader’s PSO in Kishtwar. In another incident, security forces killed an unidentified militant in central Kashmir’s Ganderbal.

The gunfight erupted at Nara Nag Gangabal, 45 km in upper reaches of Ganderbal, when joint teams of forces were combing the forest area after an input about movement of militants.
