Goyal to meet global CEOs in Davos to woo investments

Commerce minister will hold meetings with Walmart CEO, Visa chairman and Unilever CEO on the sidelines of the World Economic Forum

BANIKINKAR PATTANAYAK
New Delhi, January 18

COMMERCE AND INDUSTRY minister Piyush Goyal will hold bilateral meetings next

week with a number of global corporate honchos, including Walmart chief executive officer Judith McKenna, Visa chairman Alfred F Kelly Jr and Unilever CEO Alan Jope, on the sidelines of the World Economic Forum (WEF) in Davos, in a bid to woo investments, an official source told *FE*.
Goyal will court foreign investors, attend an informal meeting of the World Trade Organization (WTO) and parley with key ministers of South Korea, Russia, Singapore, Australia, South Africa, Saudi Arabia and Switzerland, as he leads the Indian delegation to the 50th edition of the WEF from January 20 to 24. And, if all goes well, a meeting

with US trade representative Robert Lighthizer may also be held there, ahead of US President Donald Trump’s expected visit to India soon.
Interestingly, his meeting with McKenna comes at a time when Amazon, the main rival of the Walmart-backed Flipkart, has pledged investments of \$1 billion to digitise small businesses in India and exports of \$10 billion of Indian goods by 2025, amid mounting tirade against e-tailers by the country’s brick-and-mortar stores. The meeting with Visa chairman comes close on the heels of the Cabinet clearing a data protection Bill. Goyal’s Davos visit takes place at a critical juncture for the country, as economic

growth is projected to crash to a 11-year low of 5% in FY20, hemmed in by a collapse in investment growth to just 1%. Also, world trade is witnessing heightened uncertainties, as a trade war between the US and China, and a collapse of the WTO’s dispute appellate system have only multiplied challenges for countries like India that have been staunch advocates of the rule-based multilateral trading system. Goyal will also hold separate meetings with Siemens CEO Joe Kaeser, Allianz SE’s Oliver Baete, GIC CEO Lim Chow Kiat, Canada Pension Plan Investment Board president and CEO Mark Machin and Temasek CEO Dilhan Pillay Sandrasegara, among others.

\$5-trn economy goal difficult, not impossible: Gadkari

PRESS TRUST OF INDIA
Indore (MP), January 18

UNION ROAD TRANSPORT and highways minister Nitin Gadkari said on Saturday that the goal of making India a \$5-trillion economy by 2024 was “difficult but not impossible”.
It can be achieved by increasing domestic production and reducing dependence on imports, he said at the 29th

International Management Conclave of the Indore Management Association here.
The Prime Minister and other BJP leaders have often spoken about the goal of turning India into a \$5-trillion economy by 2024. “Strong political will is very important to achieve any goal. Manifesting the same will, PM Modi has set ourselves the goal of making the

country a \$5-trillion economy,” Gadkari said. “This goal is difficult but not impossible,” he added. “Our country has plenty of resources and production capacity. Despite that we are spending crores every year on importing goods like medicines, medical devices, coal, copper, papers, etc,” the Union minister said. “If we want to become a \$5-trillion economy, we have to

increase the domestic production of these things instead of importing them,” he said. Referring to the current economic slowdown, Gadkari said, “We are the fastest growing economy in the world. But there is a cycle in the business. Challenges crop up, at times due to the global economy and sometimes because of a gap in demand and supply.
