

India readying \$2.6-bn US naval copter deal ahead of Trump trip

SANJEEV MIGLANI
New Delhi, February 10

INDIA IS SET to give final approval to a \$2.6-billion deal for military helicopters from US defence firm Lockheed Martin ahead of a proposed visit by US President Donald Trump this month, defence and industry sources said.

Prime Minister Narendra Modi's government is trying to pull out all the stops for Trump's trip in a bid to reaffirm strategic ties between the two countries, which have been buffeted by sharp differences over trade, to counter China.

India's defence purchases from the US have reached \$17 billion since 2007 as it has pivoted away from traditional supplier Russia, looking to modernise its military and narrow the gap with China.

Modi's cabinet committee on security is expected to clear the purchase of 24 MH-60R Seahawk helicopters for the Indian navy in the next two weeks, a defence official and an industry source briefed on the matter separately told Reuters.

Both countries are separately working on a limited trade agreement ahead of the trip, after earlier imposing tariff-tariff on each other's imports.

Trump has called India the "tariff king of the world" but the Modi government has been trying to address some of his concerns.

Trade officials have pointed to large-scale US arms purchases, from surveillance planes to Apache and Chinook helicopters, as proof of India's willingness to tighten strategic ties.

The multirole helicopters will be equipped with Hellfire missiles and are meant to help the Indian navy track submarines in the Indian Ocean, where China is expanding its presence.

Many of India's warships are without any helicopters because of years of underfunding, and the navy had sought their acquisition as a top priority.

The government outlined only a modest rise in its 2020/21 defence spending to \$73.65 billion in the Union Budget on February 1, of which a part will go towards making a down payment on the helicopter purchase, a defence official said.

"We expect a positive announcement soon on the helicopters," the official said, speaking on condition of anonymity because of sensitive rules. "There are limited resources, but there is an allocation." The US State Department approved the sale of the choppers to India last year along with radars, torpedoes and 10 AGM-114 Hellfire missiles.

The clearance came after the Trump administration rolled out a new "Buy American" plan in 2018 that had relaxed restrictions on sales, saying it would bolster the American defence industry and create jobs at home.

The US has also offered India the armed version of Guardian drones that were originally authorised for sale as unarmed for surveillance purposes, the first such approval for a country outside the Nato alliance.

India plans to buy 30 of these unmanned aircraft for surveillance of the Indian Ocean, at a cost estimated to be about \$2.5 billion, from General Atomics.

However, the defence official said the deal is unlikely immediately because of lack of funds. —REUTERS

FM meets industry on direct tax dispute resolution

PRESS TRUST OF INDIA
New Delhi, February 10

SITHARAMAN ON Monday met industry representatives on the proposed direct tax dispute resolution scheme that provides opportunity to taxpayers to pay outstanding taxes and get waiver of interest and penalty.

Worth over ₹9 lakh crore under direct taxes locked up in

litigation, the government last week introduced 'Direct Tax Vivad se Vishwas Bill, 2020' in the Lok Sabha. Once passed by the Parliament, the scheme would be notified and rules would be framed. "During the meeting, industry associations gave their suggestions for the scheme," a source said.

Separately PHD Chamber of Commerce president D K Aggarwal, in a statement, said the last

date for the scheme should be extended by a month till April 30, 2020. The scheme "will benefit many taxpayers and can generate more than ₹2 lakh crore for the government in the coming times if it is broadened and exclusions are minimum under this scheme," he said.

Under the proposed scheme, taxpayers willing to settle disputes shall be allowed a complete waiver of interest and

penalty if they pay the entire amount of tax in dispute up to March 31, 2020, after which 10% additional disputed tax shall have to be paid over and above the tax liability.

Where the tax arrears relate to disputed interest or penalty only, then 25% of disputed penalty, interest shall have to be paid only if the payment is made by March 31, beyond which the same shall be enhanced to 30%.
