PM Modi, U.S. President Trump hold delegation-level talks

- India and USA signed three key MoUs during extensive talks covering the entire spectrum of bilateral ties. The 1st MoU signed on Mental Health between the Ministry of Family and Welfare and the department of human and health services of United States. The second MoU inked for the safety of medical products between the Central Drugs Standard Control Organisation under India's Ministry of Health & Family Welfare and department of human and health services of United States. India and US also signed a letter of oil cooperation to strengthen energy ties. these MoUs were announced following delegation-level talks between PM Modi and US president Donald Trump. Issuing Joint press statement, PM Modi said that relations between both the countries more people-centric and people-driven. Prime Minister Modi also said that now Indian defence manufacturers are becoming part of both India and US supply chains. He added that cooperation between both the countries has been increased to combat international terrorism and matters related to homeland security.

CS releases report of Telangana water resources

- telangana Chief Secretary Somesh Kumar released the annual report of Inter-State Water Resources (ISWR) of Irrigation and Command Area Development Department. The report is the second of the series. The report comprises of overview of the water resources in the State and deals with the availability of water resources in Telangana particularly in the river Godavari and Krishna. The report also throws light on the Kaleshwaram project and its execution in a record period of time. It also comprises of Tribunal matters such as cross examination of expert witnesses namely the Dr Palanisami and Ghanshyam Jha. The report covered significant role played by ISWR in providing useful inputs to propound the stand of Telangana before KRMB (Krishna River Management Board).
