Sebi slaps ₹17-lakh fine on Motilal Oswal for not segregating clients' funds

FE BUREAU Mumbai, February 28

THE SECURITIES AND Exchange Board of India (Sebi) on Friday imposed a penalty of ₹17 lakh on Motilal Oswal Financial Services (MOFSL) for failing to maintain segregation of client's funds and misuse of client funds, violating its circular dated November 18, 1993.

The Sebi circular of 1993 says: "It shall be compulsory for all member-brokers to keep the money of the clients in a separate account and their own money in a separate account. No payment for transactions in which the member-broker is taking a position as a principal will be allowed to be made from the client's account."

There has not been even a single incidence of client's complaint against it for denial of limits of fund & securities withdrawal. Had it resorted to use one client's money for other, then at least on few days, clients with credit balance would have not been allowed to take position as the same would have been already consumed by other clients, as wrongly alleged. The fact is that there has never been any single instance where clients with credit balance have been restricted in using their balance," said MOFSL in its reply to Sebi which was part of the order.
