RAJAMAHENDRAVARAM

Chief Minister Y.S. Jagan Mohan Reddy has said the State is preparing to equip itself with all facilities like forensic laboratories, special courts, and public prosecutors to effectively implement the Disha Bill 2019 by June.

The Chief Minister was inaugurating the first Disha police station here on Saturday. Later, he launched the Disha mobile application at the Adikavi Nannaya University.

Addressing the gathering, Mr. Reddy said: "The State government is fully geared to implement the Bill once it gets the nod of the President."

Special courts

As many as 18 Disha police stations would come up by February-end, said the Chief Minister. Similarly, ₹26 crore

was sanctioned for setting up 13 special Disha courts. "We are awaiting the nod from the High Court for setting up the courts," said Mr. Reddy. Forensic laboratories were being set up at a cost of

₹31 crore at Tirupati and Visakhapatnam for speedy investigation of the Disha cases, he said.

Deploing the delay in the Nirbhaya case, Mr. Reddy said: "The Disha law is de-

signed in such a way that it awards the capital punishment for the convict in a rape case if the evidence is established during the 14-day trial. The State ensures a fair investigation within seven days in the Disha cases."

New chapter

The Chief Minister claimed that a new chapter had begun in the country with the establishment of the Disha police station and other initiatives to ensure security for women.

"The State will not tolerate any atrocity on women and children. The Disha bill will be implemented without any compromise," said the Chief Minister.

Chief Secretary Nilam Sawhney, Home Minister M. Sucharitha, Director-General of Police Gautam Sawang and other officials were present.

Railway police suspect involvement of the same gang

KOZHIKODE

Jewellery reportedly worth ₹18 lakh was stolen from two passengers travelling on the Chennai-Mangaluru Superfast Express and the Thiruvananthapuram-Mangaluru Malabar Express in two separate incidents on Saturday.

In the first case, a woman named Ponnimaran, who was going from Kannur to Chennai in the Chennai-Mangaluru Superfast Express, claimed that she lost gold ornaments and diamonds worth ₹15 lakh. She said she came to know about the theft around 3.40 a.m.

Railway Protection Force officials said she had around 21 sovereigns of gold in her possession and about ₹22,000 in cash.

Cases filed

In the second case, complainant Praveena Premanand said she lost 9.5 sovereigns of gold, including a chain, bangles and earrings, she had kept inside a handbag. She was travelling on the Malabar Express from Angamaly to Kanhangad, and the theft came to her notice around 6 a.m. The woman, from Kasaragod district, claimed a loss of about ₹3 lakh.

The Kozhikode and Kannur units of the Government Railway Police (GRP) have registered two separate cases under Section 379 (Punishment for theft) of the Indian Penal Code. Statements of the other train passengers have been recorded.

GRP sources said they suspected the involvement of the same gang behind both incidents.

CCTV visuals were collected from various railway stations between Thiruvananthapuram and Chennai. RPF squads have intensified search operations and surveillance in all trains.

Karnataka BJP draws ire of twitterati for NPR post

Tweet drew more than 3,300 comments

STAFF REPORTER
BENGALURU

A tweet by the BJP Karnataka unit on Saturday drew severe criticism on social media.

Tweeting out a video of a long line of burqa-clad women in Delhi showing their EPIC as they waited for their turn to vote, BJP Karnataka tweeted, "Kaagaz nahi dikayenge hum"!!! Keep the documents safe, you will need to show them again during #NPR exercise."

The tweet comes days after the Union government, in a reply in the Lok Sabha, said there was no discussion on the National Registry of Citizens (NRC), where peo-

ple need to furnish documents to prove their citizenship. The Centre has repeatedly claimed that the National Population Register (NPR), all set to take off this year and opposed by States such as Kerala and West Bengal, does not involve furnishing any documents.

The tweet drew more than 3,300 comments, most of which said it laid bare the intentions of the ruling party. One user tweeted: "...the tweet says it all about intentions of ruling party of India, they are openly calling for Indian Muslims to prove their loyalty & citizenship in a threathful way."

He said there were initially 21 students, some of whom had flown to Singapore.

The BS-III vehicles were illegally registered in Kohima in Nagaland and transferred to Tadipatri within two to 15 days, with an NOC (No Objection Certificate) from Nagaland.

All these vehicles reportedly ply in Tadipatri and Kadapa regions to carry goods related to cement factories. Anantapur Deputy Transport Commissioner N. Sivaram Prasad lodged the complaint with the police seeking a probe against manufacturers, dealers or the buyers to find out who was primarily responsible for the alleged fraud.
